

The Town would like bids to be Emailed to selectboard@mtvernonme.org by **October 1, 2021.**

All bids will be kept confidential until a contractor is chosen. The town reserves the right to accept or reject any bid. Please include the following in the bid:

- Price – to include all labor and material
- Proposed schedule. The town needs this work done ASAP, but understands contractors are busy right now (this may be a deciding factor).
- State your ability to work around open hours schedules, considering these factors:
 - The Treasurer and Select Board offices can be done any day at any time as we can work around your schedules.
 - Town hall is closed every Friday-Sunday, so if the lobby and clerk's office can be done Friday, Saturday and/or Sunday, that would be desirable.
- Successful bidder will need to provide the following:
 - Proof of liability insurance
 - Proof of workman's comp insurance if employees are used or;
 - Sole proprietors may show proof of application for waiver of workers' compensation insurance per State statute.

Pre-bid questions: Call select board chair, Paul Crockett at 207-293-3000 or Email selectboard@mtvernonme.org
